

## WILDLIFE & SPORTING PRINTS

Wildlife and Sporting Prints has been created to produce extremely high quality limited edition prints from some of the leading wildlife and sporting artists in the UK. These include Steven Porwol, Jonathan Pointer, Tim Hayward, Owen Williams and Ben Hoskyns.

*Hobby and Swallows by Tim Hayward*

Print runs are strictly limited to 20 to 75 prints only and are printed using the Giclée printing process - this is unlike other limited editions that have runs of up to 850 or even 1,000 prints.

The limited editions ensure that exceptional quality control of the image is maintained with each print being hand-inspected and signed by the artist.

Prices vary from £95 to £295 subject to print run and size.
